PRICE LIST

### THIRD IVF CYCLE FREE OF CHARGE

**GENNET City Fertility offers a free cycle of In Vitro Fertilisation (IVF) package STANDARD following two unsuccessful IVF treatments (Natural IVF excluded).**

Our price list is reviewed regularly and all prices are subject to change. Any quoted treatment fees provided as per our individually costed treatment plans will be valid for a period of 2 months.

Medication and blood tests are not included in any of the treatment costs. Packages COMPLETE and COMPLETE PLUS includes STI pre-treatment screening (as applicable). For all cycles mixing eggs and sperm, a HFEA fee is payable in the sum of £80. For all IUI cycles using donor sperm, a HFEA fee is payable in the sum of £37.50.

Payment methods are: online by link, debit/credit cards (excluding American Express) and bank transfer.

City Fertility will provide all patients with Terms & Conditions on their first visit which includes details in regards to payments, cancellation fees, refunds, storage obligations and other services.
